**SUBJECT:** Concurrence in Amendment No. 5 to Contract No. HF-CT-694 with Westinghouse Electric Corporation, Baltimore, Maryland, WUINE-2, Project CHALICE (Air Force)

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. HF-CT-694 covers the procurement of replenishment spare parts, supplies and other related equipment as may be called for by the FOG Depot. This Amendment No. 5 has been drawn to extend the period of performance through 30 June 1960 and to provide additional Air Force funds for the first half of FY 1960.

*Postul*  
3. Air Force "No Year" funds, when available, in the amount of \$110,000.00 chargeable during FY 1960 should be obligated to cover the contract for the period 1 July 1959 through 31 December 1959. By concurrence to this memorandum the Comptroller signifies that the obligations from Air Force funds has been noted and will be recorded when funds for FY 1960 become available.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.

5. Concurrence in Amendment No. 5 to Contract No. HF-CT-694 is recommended.
